B. Draft Ordinance Language – Administrative Edits

Regional Planner Crafts stated that the Planning Commission proposed general edits to several sections of the Zoning Ordinance based on recommendations of former City Staff and planning/zoning consultants. She reviewed these recommendations which were largely administrative in nature and were not anticipated to result in significant changes to land uses or processes. She stated that prior to holding a public hearing on these proposed changes, the Planning Commission seeks Council review and feedback. Council had no feedback.

Mayor Kurtz opened the item to public comment. There was no comment and the item was closed.

C. Draft Ordinance Language - Signage

Regional Planner Crafts stated that the Planning Commission was proposing a new signage ordinance to replace the existing signage standards (Section 11). The proposed ordinance was based on the US Supreme Court ruling in the 2015 case Reed v Town of Gilbert, AZ, in which the Supreme Court ruled that sign regulations must not be content-based. The proposed ordinance strives to meet the following criteria:

- Sign standards are as content-neutral as possible;
- Sign standards reflect the current and future needs of Charlevoix residents and businesses; and
- Sign standards are convenient to understand and apply.

She stated that the Planning Commission seeks Council review and feedback prior to holding a public hearing on the ordinance.

Councilmember Bryan questioned the size of real estate signage in commercial districts. Portable and temporary sign definitions were discussed. Regional Planner Crafts felt that there would not be a large difference in the way downtown looked between the original and proposed ordinances. Council agreed that a graphic interpretation would be helpful in understanding the differences.

Mayor Kurtz opened the item to public comment.

Bill Supernaw questioned if yard sale signs were permitted. City Manager Heydlauff noted that signs in the right-of-way were illegal.

The item was closed to the public.

D. 2017 Bridge Drop Fireworks Approval

Dan Barron, Bridge Drop Committee, stated that the Bridge Drop on New Year's Eve has become a great new downtown event for the holiday with a fireworks display from Depot Beach. The organizers would like to launch stadium fireworks from the ends of the docks at the Marina as well. He asked Council's approval for the fireworks displays based on the following conditions:

- Satisfactory receipt of all insurance and indemnification documents
- Satisfactory safety conditions as determined by the Fire Chief
- Recognition that the Fire Chief, at his sole discretion, can cancel, postpone, delay, or modify any display based on safety and weather conditions on the night of the event.

Mayor Kurtz opened the item to public comment. There was no comment and the item was closed.

Motion by Councilmember Cole, second by Councilmember Kalbfell, to authorize the fireworks displays for Bridge Drop 2017 as presented and with the conditions as recommended by City Staff and authorize all necessary documents be signed on behalf of the City by the City Manager [and direct the City Clerk to issue the license.]

E. Mayoral and Council Appointments

A member appointment is needed for the Recreation Advisory Committee, Board of Review, and Airport Advisory Committee. The Mayor nominated Sarah Matye for the Recreation Advisory Committee appointment.

Mayor Kurtz opened the item to public comment. There was no comment and the item was closed.

Motion by Councilmember Cole, second by Councilmember Hagen, to appoint Sarah Matye to the Recreation Advisory Committee, term expiring December 2018.

Yeas: Kalbfell, Bryan, Hagen, Perron, Oleksy, Cole

Motion by Councilmember Kalbfell, second by Councilmember Cole, to appoint Kirby Dipert to the Board of Review, term expiring December 2020.

Yeas: Kalbfell, Bryan, Hagen, Cole

Nays: Perron, Oleksy

Motion by Councilmember Kalbfell, second by Councilmember Cole, to disband the Airport Advisory Committee.

Mayor Kurtz recused himself and Deputy Mayor Cole facilitated Council discussion. Councilmember Kalbfell stated that the reason for the motion was that Staff recently hired Matt Wyman as Airport Manager who has credentials and significant experience. She noted that Mr. Wyman demonstrated his ability to be a competent manager by serving as the Interim Airport Manager and she felt that it would be best to let Mr. Wyman do the job he was hired to do. Councilmember Cole concurred and felt that Mr. Wyman didn't need to be micro-managed by the Committee. Councilmember Kalbfell noted that if Mr. Wyman needed any assistance that he could discuss such with the City Manager. Councilmember Hagen agreed and commented that Mr. Wyman was employed with the City for approximately four years.

8. Reports & Communications

A. Public Comments

Mayor Kurtz returned to the dais. Bob Timms felt that the new City logo was meaningless. He suggested changing the format of the agenda to save paper.

Shirley Roloff welcomed the new Council members and she questioned the volume on the microphones.

B. City Manager Comments

City Manager Heydlauff reported on the following:

- Working with Buday's Sound Advice regarding microphones and additional AV equipment for Council Chambers
- Legislature was proposing municipal retirement reform
- First phase of wayfinding signage will be installed this month.

C. Mayor & Council Comments

Councilmember Hagen questioned whether the gate could be removed at the Ferry Beach pier. Councilmember Kalbfell recommended installing safety signage first. City Manager Heydlauff suggested taking a look at safety initiatives at both Lake Michigan Beach and Ferry Beach first and noted that the Ferry Beach pier enhancement was part of the 2018-19 Capital Budget. He also suggested installing the accessible walkway at Lake Michigan Beach before pursuing a walkway at Depot Beach.
